GruCA

PHYSICAL ACCESSIBILITY INFORMATION

The Ecomuseum of the earth houses Villa Ficana is located in Macerata in the district of Santa Croce.

The neighbourhood is a pedestrian area and can be reached both by car and by public transport (Line 1 Urban Transport - Macerata).

Outside the district there are free parking spaces (not reserved parking spaces) on the side of the street facing the main entrance.

From the entrance it is possible to reach the Visitor Centre of the Villa Ficana Ecomuseum by a level pedestrian path, from which there is a 148 cm wide staircase consisting of three steps (11.5 cm riser) followed by a flight of steps about 9 m long downhill.

The entrance door to the Ecomuseum Visitor Centre is 78 cm wide, the step on the outside is 5 cm and on the inside 26.5 cm.

This room houses the toilet, with a 68 cm wide door, which is not suitable for use by wheelchair users.

The upper floor is reached by an external staircase 110 cm wide consisting of 11 steps (riser 21/25 cm) with a 78 cm wide door.

The door to the offices is 82 cm wide with a step height of 5 cm externally and 12 cm internally.

To reach the upper floor, a 110 cm wide external staircase consisting of 11 steps (riser 21/25 cm) with a 78 cm wide door.

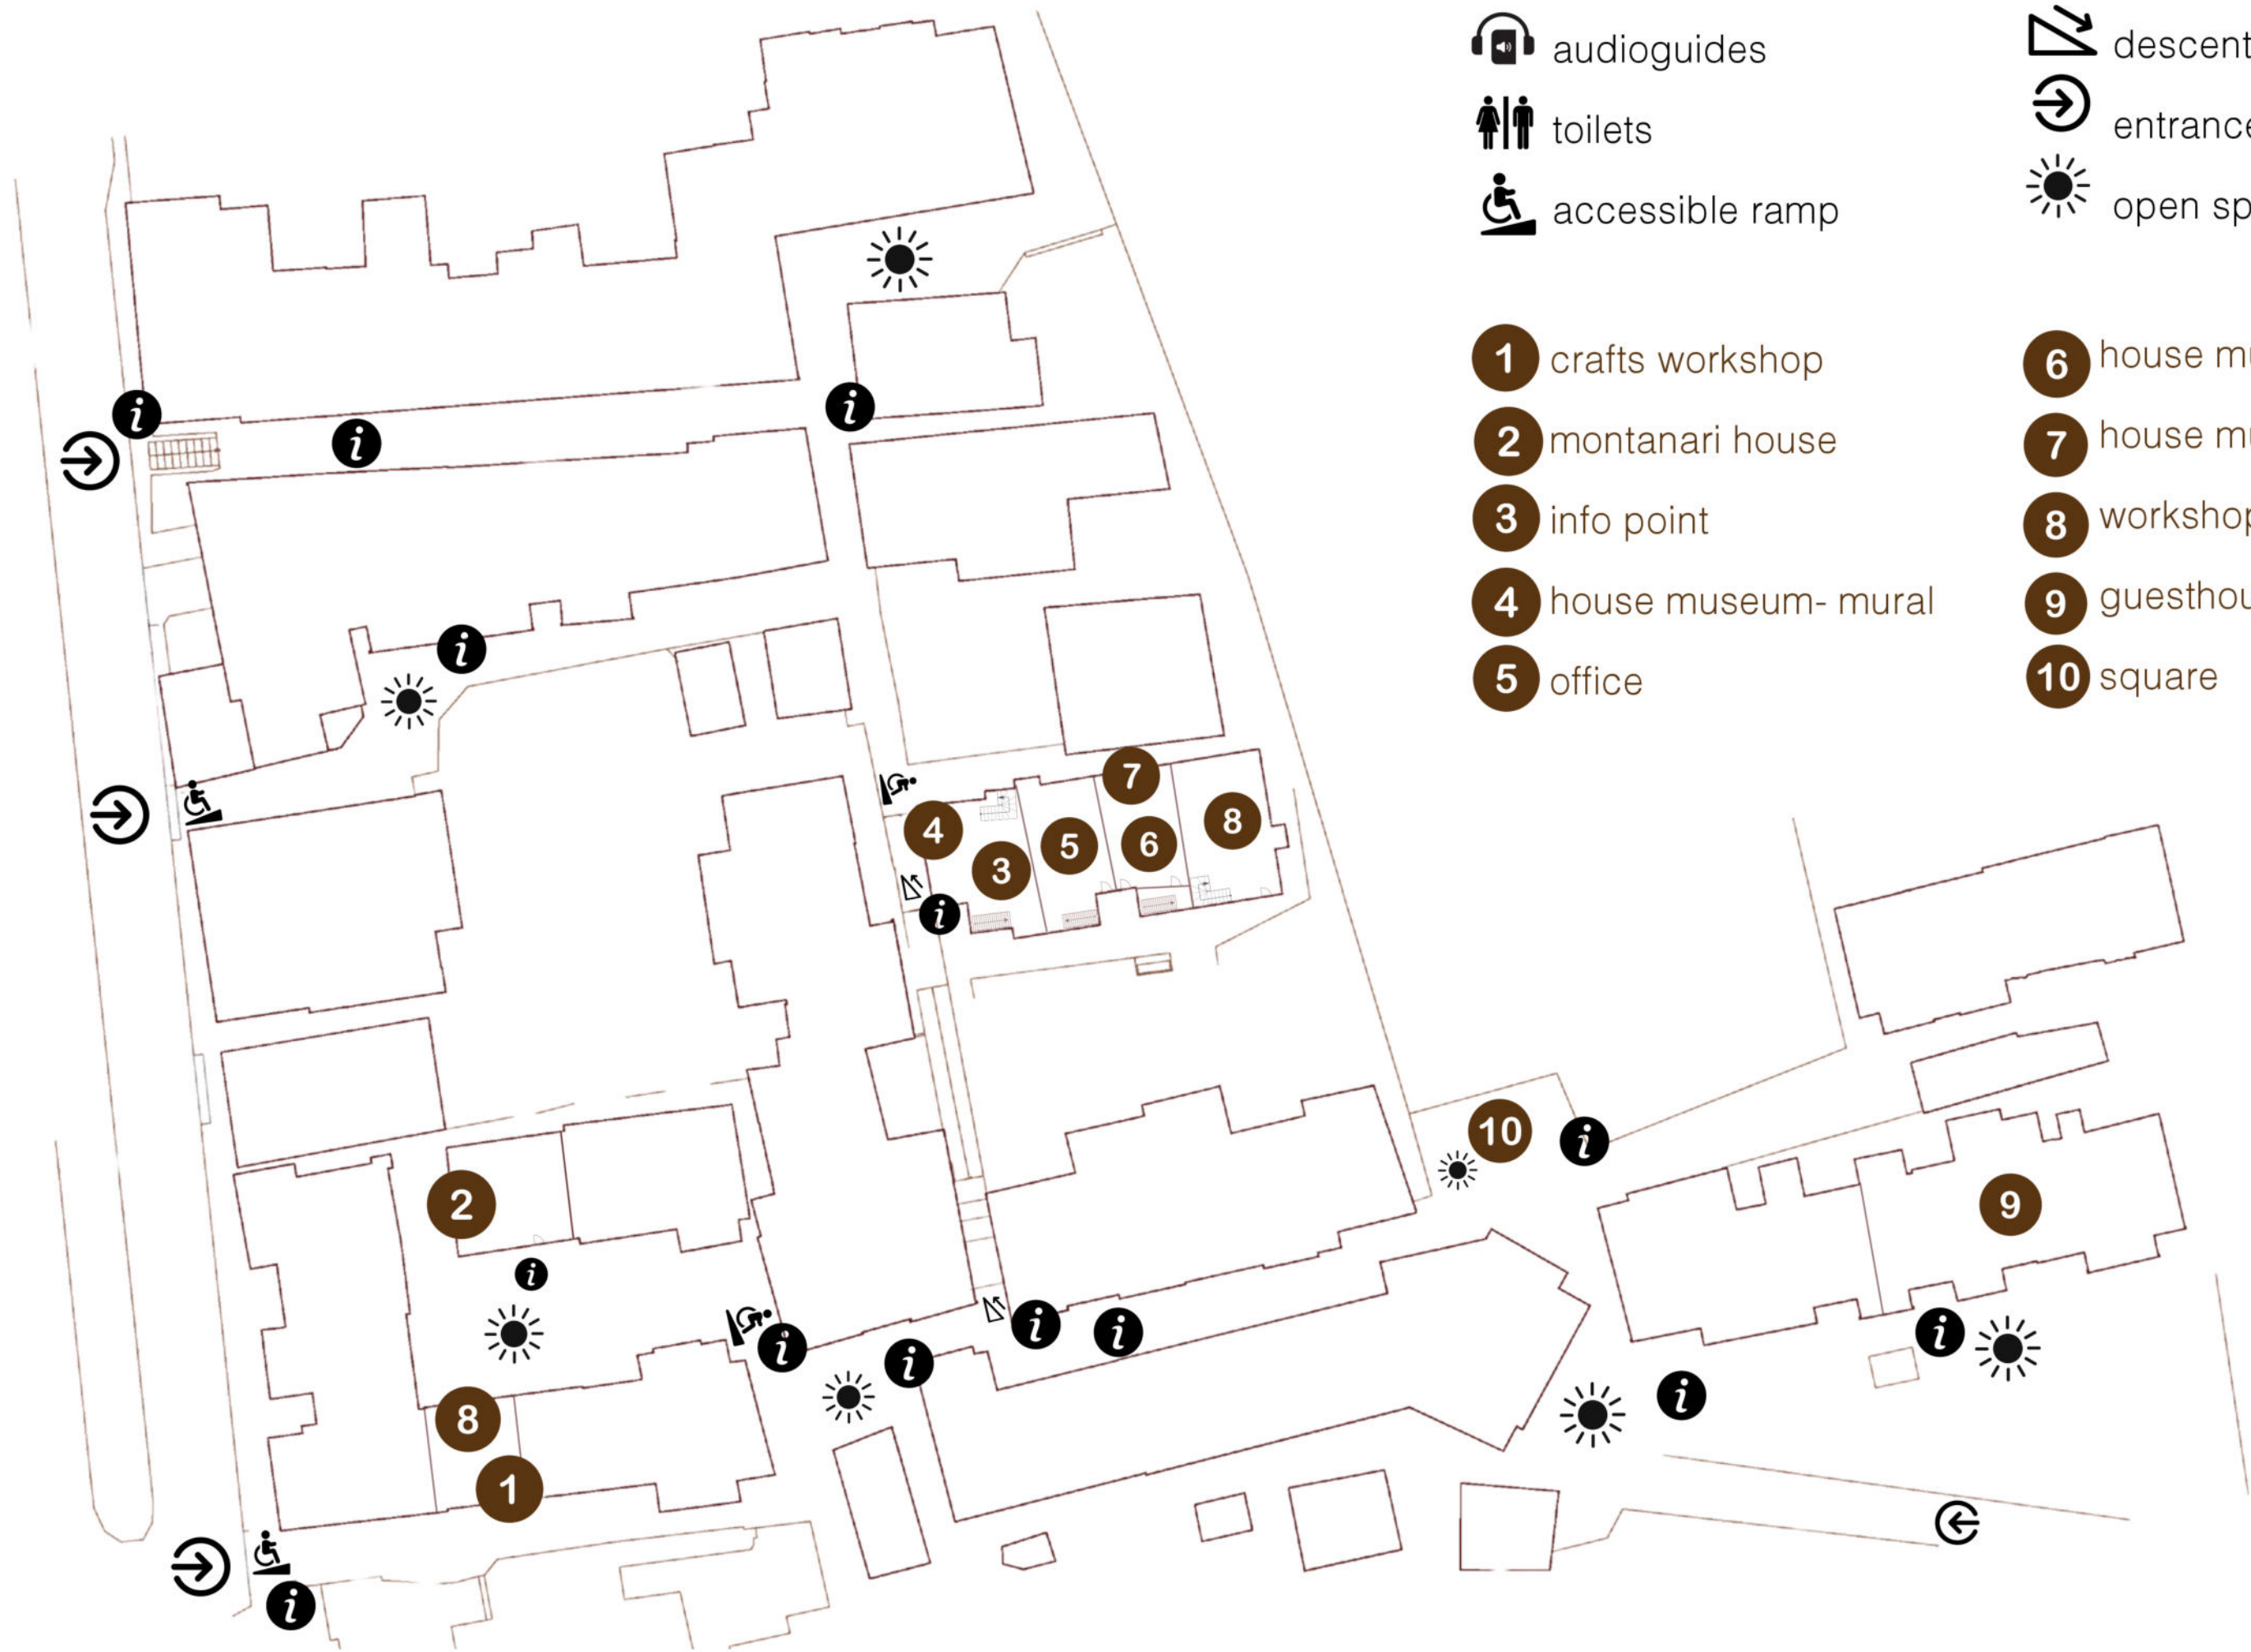

Access to the House Museum on the ground floor is via a 74 cm wide door with a step 5 cm high externally and 205 cm high internally.

Access to the House Museum on the first floor is via a 129 cm wide external staircase with 11 steps (21/25 cm riser) and through a 76 cm wide door.

The workshop and lecture room is accessed via a first door 78 cm wide with a step of 20 cm outside and 18.5 cm inside and a second door 86 cm wide.

To go up to the upper floor, where a second teaching room is located, one must climb a 96 cm wide internal staircase consisting of 11 steps (riser 22 cm) via a 76 cm wide door. This room houses the toilet, which is not suitable for use by wheelchair users.
